SUBJECT: Isolation Payment Adjustment

Information to Share

The amount to be paid for the reimbursement to parents of isolated students is found in Wyo. Stat. 9-3-103 (a) (iii) "... If private vehicle transportation is used, reimbursement shall be as determined by the governor for the state and by the governing body of any other entity, based on a mileage allowance not to exceed the maximum nontaxable rates allowed by the Internal Revenue Service at the time of travel."

The IRS adjusted the rate **to \$.55 per mile** for travel effective January 1, 2009. As a result, reimbursement for all types of vehicles used to provide isolation transportation to school shall not exceed \$.55 per mile for travel after January 1, 2009.
